INFORMATION REGARDING DEVIATION REQUESTS

A site plan with deviations for redevelopment provides a means for a redevelopment project to seek dimensional deviations (excluding height), architectural deviations, and deviations from site features, such as but not limited to, landscaping, parking, and buffers, from the standards established in the LDC when the passing of time has rendered certain existing buildings, structures, or site features nonconforming.

A site plan with deviations may be requested for the redevelopment of a site which meets the criteria for a site development plan, site development plan amendment or a site improvement plan as established in LDC section 10.02.03. Except for the requested deviations, the site plan shall comply with LDC section 10.02.03.

In accordance with LDC section 10.02.03 F, “redevelopment” shall mean the renovation, restoration, or remodeling of a building or structure, or required infrastructure, in whole or in part, where the existing buildings, structures or infrastructure were legally built and installed.

DEVIATION REQUESTS

The application must address the follow requirements. Please attach the required narratives and explanations.

1. A narrative of the redevelopment project and how it is consistent with the standards for approval, LDC section 10.02.03 F.7.

2. Description of each requested deviation and justification for each request. Requested deviations shall be clearly delineated in the petition. The LDC section for which the deviation seeks relief from shall be identified.

3. Project enhancements to offset or minimize the deviations shall be clearly identified on the site plan and explanation provided.

4. Deviation Request types:

Zoning Deviation Requests - Check all that may be impacted by the request.

- Dimensional standards (excluding height)
- Parking
- Architectural
- Landscape / Buffers
- Other site features: _____

Engineering Deviation Requests - Check all that may be impacted by the request.
