WHEREAS, on December 11, 1990, the Board of County Commissioners (Board) adopted Ordinance No. 90-105, which has become known as the Collier County Contractors' Licensing Board Ordinance, in order to regulate the contracting industry in Collier County; and

WHEREAS, effective July 1, 2013, the Florida Legislature enacted 2013-193 Laws of Florida, (House Bill No. 269) which amended several Florida Statutes relating to building construction including Chapter 489, Florida Statutes; and

WHEREAS, the Board desires to amend Ordinance No. 90-105, as subsequently amended, in order to apply the recent revisions to Chapter 489, Florida Statutes.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, that:

SECTION ONE: AMENDMENTS TO PART FOUR OF ORDINANCE NO. 90-105, AS AMENDED.

Part Four of Ordinance No. 90-105, as amended, is hereby amended as follows:

PART FOUR: STANDARDS OF CONDUCT AND DISCIPLINE.

* * * * * *

4.3 Disciplinary Proceedings, including Minor Violations.

Words Underlined are added; Words Struck Through are deleted.
4.3.1. There are three categories of violations: (i) Violations of subsection 489.127(1), Florida Statutes and/or Section 1.1 of this Ordinance, as amended; (ii) Violations of subsection 489.132(1), Florida Statutes; and (iii) other violations within the jurisdiction of the Contractor's Licensing Board.

(a) Subsection 489.127(1), Florida Statutes, is incorporated herein. (Lack of required license, certificate, or registration). The following are designated to enforce subsection 487.127(1) 489.127(1), Florida Statutes: Collier County Building Official, all License Compliance Officers, the Chief Building Inspector, Chief Electrical Inspector, Chief Plumbing/Mechanical Inspector, and/or other inspectors authorized from time-to-time by the Building Official. Procedures specified in this Ordinance shall apply except to the extent, if any, that Section 489.127 or Section 489.132, may require different procedure(s). The penalties for each uncontested violation of subsection 489.127(1) and/or 489.132(1), Florida Statutes, are three hundred dollars ($300.00) one thousand ($1,000.00) dollars for the first uncontested violation and five hundred dollars ($500.00) two thousand ($2,000.00) dollars for each subsequent the second uncontested violation by the same individual or entity. In the event of a third uncontested violation, the Contracting Licensing Supervisor shall refer the matter to the State Attorney’s Office for filing of charges. Notwithstanding the above-referenced penalties, in the event a first uncontested violation is the result of the violator engaging in the business or acting in the capacity of a contractor of advertising himself or herself or a business organization as available to engage in the business or act in the capacity of a contractor without being duly registered or certified, the penalty shall be abated from $1,000.00 to $300.00 if the violator submits a completed application in accordance with Section 2.1 and 2.2 of this Ordinance within forty-five (45) days of the date of issuance of the Citation for the violation. Penalties for contested violations of subsection 489.127(1), Florida Statutes, are as now or hereafter specified in Section 489.127, Florida Statutes. Penalties for contested violations of subsection 489.132(1) Florida Statutes, are as now or hereafter specified in Section 489.132, Florida Statutes. The Citation form attached hereto as exhibit "A" is approved, which form may be amended from time-to-time by Resolution of the Board of County Commissioners.

(b) Minor violations: The Contractor Licensing Supervisor or designee shall issue a "Notice of Nonecompliance" as the County's first response to a minor violation of any provision of any regulatory law, including this Ordinance, when (i) it is reasonable for staff to assume that the violator, at the time of violation, was not aware of the provision that was violated or it can be assumed that it was not clear to the violator how to comply with the violated provision; and (ii) that violation has not then resulted in economic harm or physical harm to any person; and (iii) the violation has neither adversely affected the public health, safety, or welfare, nor created any significant threat.

of any such adverse affect. The Notice of Noncompliance should identify the specific provision that was violated, should provide information on how to comply with that provision and should specify a reasonably time for full compliance. The Notice of Noncompliance shall not be accompanied with any immediate threat of any monetary fine or any other disciplinary penalty, but may specify that failure of the violator to correct the violation within the time specified in the Notice for Compliance may result in disciplinary proceedings. Each violation that is not a "minor" violation is a "major" violation.

(e) (h) Major Violations. The Contractor Licensing Supervisor, or his designee, may initiate disciplinary proceedings against a licensed contractor for major violations of this Ordinance by filing a sworn complaint with the Clerk to the Collier County Board of County Commissioners or may issue a Notice of Non Compliance when (i) it is reasonable for Staff to assume that the violator, at the time of violation, was not aware of the provision that was violated or it can be assumed that it was not clear to the violator how to comply with the violated provisions; and (ii) that violation has not then resulted in economic harm or physical harm to any person.

(d) (c) Failure of Non-State Certified Individual to Promptly Pay Penalty to County. The Collier County Building Department should not issue any permit or any other required authorization to any Collier County Certified individual who then has an obligation to pay a penalty to the County imposed with finality under this Ordinance for any violation of this Ordinance (including a citation that is not contested) and that individual has not paid that penalty in full by the applicable deadline date, plus reimbursement of the County's costs, such as recording fees and court costs. An appeal of uncontested citations stays all such withholdings.

(e) (d) Failure of Non-State Certified Individual to Meet Permit Conditions. The County's Building Department may withhold issuance of any further permit(s) or any other authorization(s) to any individual who, or entity that, has not then complied with any condition of all County-issued permit(s) issued to that individual or entity, including every follow-up inspection or any other act then capable of being complied with, although late in time.

(f) (e) Withholding Permit Pulling Privileges of State Certified Contractor. Before the CLB may withhold any permit pulling privilege(s) of a State Certified Contractor, the CLB, after public hearing, must find that the Contractor violated a provision of Section 4.2 of this Ordinance.

4.3.2. Any person who believes that a contractor holding a Certificate of Competency has violated this Ordinance may submit a sworn complaint to the Contractor Licensing Supervisor, or his/her designee. The complaint shall be in substantially the form prescribed by the Contractor Licensing Supervisor. The complaining party shall state with particularity which section(s) of this Ordinance he or she believes has been violated by the contractor and the essential facts in support thereof.

4.3.3. Upon the submission of a sworn complaint, the Contractor Licensing Supervisor, or his/her designee, shall conduct a preliminary investigation and determine whether the complaint submitted warrants the filing of formal charges. If charges are warranted, the Contractor Licensing Supervisor, or his/her designee, shall file the complaint with the Clerk to the Collier County Board of County Commissioners and shall send, by certified mail, return receipt requested, a letter to the licensed contractor at his local address, or if applicable the local agent's address, as shown by the records of the Contractors' Licensing Board, enclosing a copy of the complaint and indicating:

a. The name of the complainant;

b. The date(s) of the commission of the alleged offense(s);

c. The section(s) of this Ordinance alleged to have been violated;

d. The range of disciplinary sanctions which may be imposed upon any contractor, pursuant to this Ordinance by the Contractors' Licensing Board in the event said Board finds a violation of this Ordinance to have occurred;

e. The date, time and place at which the contractor shall appear before the Contractor's Licensing Board for a hearing regarding the complaint. The date scheduled shall not be sooner than twenty (20) days from the mailing date of the certified letter.

4.3.3.1. The notice of hearing required by this Section may, in the alternative, be accomplished by hand delivery of said notice to the contractor by the Contractor Licensing Supervisor, or his/her designee, or by leaving said notice at the contractor's business or usual place of residence with some person of his/her family over 15 years of age and informing such person of the contents of the notice.

SECTION TWO: CONFLICT AND SEVERABILITY.

In the event this Ordinance conflicts with any other ordinance of Collier County or other applicable law, the more restrictive shall apply. If any phrase or portion of the Ordinance is held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portion.

SECTION THREE: INCLUSION IN THE CODE OF LAWS AND ORDINANCES.

The provisions of this Ordinance shall become and be made a part of the Code of Laws and Ordinances of Collier County, Florida. The sections of the Ordinances may be renumbered or relettered to accomplish such, and the word "ordinance" may be changed to "section," "article," or any other appropriate word.

SECTION FOUR: EFFECTIVE DATE.

This Ordinance shall become effective upon filing with the Florida Department of State.

PASSED AND DULY ADOPTED by the Board of County Commissioners of Collier County, Florida, this 10th day of December, 2013.
