Florida 511 is a toll-free service provided by the Florida Department of Transportation. 511 provides real-time updates on traffic conditions, including road and bridge closures, evacuation information, congestion, crashes and more. The 511 system provides information on all of Florida's interstates, toll roads and other major metropolitan roadways.

There are five convenient ways for all motorists to receive traffic updates:

- Call 511 toll free for updates in English and Spanish from any landline or mobile phone.
- Visit FL511.com for interactive roadway maps showing traffic congestion and crashes, travel times and traffic camera views.
- Create a "My Florida 511" account on FL511.com to create custom routes and register for email, text or phone alerts
- Download the free Florida 511 mobile app available on Google Play or Apple App Store.
- Follow one of the 12 statewide, regional or roadway-specific Twitter feeds.

For more information, visit www.FL511.com
