

# Removal, Replacement, and Repair of Mobile/Manufactured Homes Post Hurricane Irma

This application must be submitted in addition to the Building Permit application on the Collier County website [www.colliergov.net/BuildingApplications](http://www.colliergov.net/BuildingApplications). All damages incurred from Hurricane Irma must be identified on this application.

Address (mobile/manufactured home): \_\_\_\_\_

Property Owner Name: \_\_\_\_\_

Mailing Address (if different): \_\_\_\_\_

Phone: \_\_\_\_\_ Email: \_\_\_\_\_

## Required information for REMOVAL:

1. What is the square footage of the home being removed? \_\_\_\_\_ sq. ft.
2. Please provide a birds-eye-view diagram, depicting the location of the mobile in relationship to the lot and surrounding lots and streets. Aerials can be obtained from the Property Appraiser's website: <http://www.collierappraiser.com/>. Please see an Example of an aerial on page 2.

## Required information for REPLACEMENT or REPAIR:

1. What is the square footage of the new or to be repaired home? \_\_\_\_\_ sq. ft.
2. Check the general location where this home will be installed/repaired:
  - \_\_\_ a. Chokoloskee
  - \_\_\_ b. Copeland
  - \_\_\_ c. Goodland
  - \_\_\_ d. Immokalee
  - \_\_\_ e. Plantation Island
  - \_\_\_ f. Other \_\_\_\_\_

## Required information for REPAIRS:

1. Submit four (4) photos of the existing home, one photo for each side of the structure.
2. For roof repairs, submit a photo of the roof top.
3. Manufacture date of the home (if unknown, provide an estimate): \_\_\_\_\_
4. Estimate of improved value of the existing home to be repaired: \$ \_\_\_\_\_
5. Please describe the types and extent of the damage incurred from Hurricane Irma, including the inside of the home (e.g. wind damage to roof, interior flooding due to storm surge, floor/cabinet damage due to wind driven rain, or structural damage from a fallen tree). Additionally, submit pictures of any interior damages described below.
