## IV. WILLINGNESS TO SELL:

The owner(s) of the property described on this form authorize(s) Collier County to evaluate their property for potential purchase in the Conservation Collier Land Acquisition Program. If the Board of County Commissioners authorizes staff to pursue acquisition of the property, the owner(s) is/are willing to consider a fair market value offer for the purchase of the land. The owner(s) are under no obligation to accept said offer or to withhold the property from other purchase offers or development during the review period. However, the owner(s) affirm that there is no right of first refusal, option or any other contractual agreement affecting ownership pending on this property. Collier County reserves the right to withdraw this application if the owner(s) causes any material changes to the environmental significance and/or characteristics of the property or enters into any contractual agreement affecting ownership with another party.

All owners of record must sign this form below or submit a separate letter indicating their willingness to sell. Please attach a separate sheet if there are more than two (2) owners of record. An exclusive listing agreement may be attached to this application in lieu of the owner’s signature. If a Trustee is signing for multiple owners, please attach a copy of the legal instrument authorizing the Trustee to convey this parcel. Owner / Agent / Trustee signature(s) also authorizes Collier County staff, or agent thereof, Advisory Committee members and members of the general public to enter the property upon a minimum of three (3) days notice to the property owner. Notice shall include the day, time and approximate number of persons anticipated.
