Senior Environmental Specialist
Collier County Environmental Services Department
2800 North Horseshoe Drive
Naples, FL 34104

Dear Ms. Sulecki:

On behalf of the City of Naples and the Office of the City Manager, please allow this letter to serve as a formal notification of our interest in proceeding with implementing a coordinated effort between the City of Naples and Collier County for the City to acquire the 4.39 acres of property along the Gordon River behind the Riverside Circle Government Services Campus as well as the adjacent 2.69 acre island.

We need to determine what department or individual within Collier County should be contacted, the type of documents that will be required, a timeline for proceeding, preparation of a sales contract or agreement and any accompanying information such as appraisals, etc.

We are ready to move forward as soon as possible with the acquisition of these sites and will appreciate any participation you are able to provide. My office is available to assist with any follow up information or preparation of documents that may be related to this request and please contact Dr. Michael Bauer or myself at your convenience so we may proceed.

Sincerely,

David M. Lykins
Community Services Director
