

ALTERNATIVE ONE**RESOLUTION NO. 2006-____**

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF COLLIER, FLORIDA, ORDERING AND CALLING A REFERENDUM ELECTION TO BE HELD ON NOVEMBER 7, 2006, WITHIN COLLIER COUNTY, TO DETERMINE IF THE ELECTORS OF THE COUNTY OF COLLIER, FLORIDA APPROVE CONTINUING THE LEVY OF AN AD VALOREM TAX NOT EXCEEDING .25 MIL THROUGH THE YEAR 2013 FOR THE PURPOSE OF CONTINUING TO FUND THE CONSERVATION COLLIER PROGRAM'S ACQUISITION AND MANAGEMENT OF ENVIRONMENTALLY SENSITIVE LANDS FOR THE PROTECTION OF WATER RESOURCES, WILDLIFE HABITAT AND PUBLIC OPEN SPACE IN PERPETUITY AFTER THE \$75 MILLION DOLLAR BOND ISSUE AUTHORIZED BY REFERENDUM ON NOVEMBER 5, 2002 FOR SUCH ACQUISITION AND MANAGEMENT HAS BEEN SPENT; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Collier County recognizes the need to plan for future growth and has initiated a long-term program, known as the Conservation Collier Program, to acquire and manage environmentally sensitive lands in perpetuity for the protection of water resources, wildlife habitat and public open space; and

WHEREAS, the electorate of Collier County on November 5, 2002 authorized Collier County to levy an additional ad valorem tax not exceeding .25 mil for up to ten (10) years and to issue up to \$75 millions dollar worth of limited tax general obligation bonds, to be issued in one or more series, payable therefrom, in order to finance acquisition and management of environmentally sensitive lands for the protection of water resources, wildlife habitat and public open space in perpetuity for purposes of the Conservation Collier Program; and

WHEREAS, Collier County adopted Ordinance No. 2002-63 on December 3, 2002, sometimes known as the Conservation Collier Implementation Ordinance, for purposes of further establishing the Conservation Collier Program; and

WHEREAS, the Board of County Commissioners generally determined at a public workshop on December 6, 2004, that it would be in the best interests of the Conservation Collier Program and the public to determine whether the electorate wished to continue to be subject to a levy of up to a .25 mil ad valorem tax to acquire and manage additional environmentally sensitive lands through the Conservation Collier Program even after the \$75 million dollar bond issue has been spent and after certain management costs for the Conservation Collier Program have been defrayed; and

WHEREAS, it is estimated that through the end of January 2006, Conservation Collier has committed or spent approximately \$63.3 million dollars for acquisition and management of environmentally sensitive lands; and

WHEREAS, if the electorate of Collier County wishes the Board of County Commissioners to continue to levy up to a .25 mil ad valorem tax through the year 2013, additional environmentally sensitive lands may be acquired and managed by the County through the Conservation Collier Program for protection of water resources, wildlife habitat, and public open space in perpetuity.
