

**Conservation Collier Subcommittees**

March 29, 2012

**Outreach**

Tony Pires-Chair – Reelected 2/1/12

Jeff Curl – Vice Chair – Reelected 2/1/12

Bill Poteet

This subcommittee has been meeting as necessary, approximately 3-5 times per year. Typical tasks include development of informational brochures, website review and identification of methods and procedures for making Conservation Collier efforts and goals known in the local community. Members are currently working on a Donor Recognition Policy, monitoring the Gordon River Greenway Design Team efforts and promoting interaction with the Boy Scouts, Girl Scouts and 4-H youth.

**Lands Evaluation and Management**

Lauren Gibson – Vice Chair – Elected 3/4/11

This subcommittee meets as necessary, with 5-8 meetings as a typical schedule in past years. Most Land Management Plans have been completed, making meetings less frequent. There have been no meetings yet in 2012 and no meetings are currently scheduled. One upcoming task will be review of the Rivers Road Land Management Plan.

**Ordinance, Policy & Rules**

Bill Poteet - Chair - Elected 1/6/12

Clarence Tears – Vice Chair – Elected 1/6/12

Jeff Curl

Tony Pires

Tracey Dewrell

This active subcommittee typically meets 4-5 times per year to assist in developing policy recommendations for the Conservation Collier Program. These recommendations generally result in Resolutions or Ordinance revisions that are approved by the Board of County Commissioners. The most recent accomplishment of this subcommittee was development of a Preserve use Ordinance (2011-38).
