

Multi-family Bulky Item Collections

Curbside residential service:

- Did you know, that if you live in a multi-family area with curbside residential service that you can call 252-2380 for a bulky item pick up*?
- Bulky items are items too large, heavy or bulky to fit in your green trash cart (e.g., washer, dryer, water heater, furniture, etc.)
- Bulky items will be collected on your recycling day, but you must **call 48 hours in advance** of your recycling day to alert us of your collection need.
- **Call (239) 252-2380 to schedule a pick-up.** Bulky items placed curbside without a scheduled collection may result in a fine to the property owner.

Please help save our valuable landfill airspace, properly dispose of your bulky items!

***Prior to placing curbside, remove the doors from all appliances (refrigerators, washers, dryers, etc.) to prevent the entrapment of children.**

Non-curbside residential service:

- Did you know, that if you live in a multi-family area with a non-curbside residential service (the property management company provides a common shared dumpster for waste and one for recycling) that you **contact your property management** company to make arrangements for bulky item pick up?
- Bulky items are items too large, heavy or bulky to fit in the waste dumpster (e.g., washer, dryer, water heater, furniture, etc.). **Bulky items are not allowed in the multi-family, non-curbside waste dumpster.**
- **Call your property management** company, they will make arrangements with the hauling contractor to have them collected.
