Subject: Agenda and Materials for May 17th Meeting

All,

The intent of our first meeting (1:00 pm, May 17, 2013) is to organize our efforts and schedule further meetings to reach our ultimate goal of evaluating the RESTORE proposals. In preparation for the meeting, please note that we have various background material on the website:

www.colliergov.net/RESTOREAct, including the 37 project proposals we have received. Enclosed in this e-mail is (1) an agenda for the meeting, (2) a flow diagram that describes a tentative process to follow, and (3) a proposed evaluation form. We will have hard copies of the proposals for each committee member to distribute at the meeting.

Thanks for agreeing to serve on the committee and I look forward to working with you on this effort.

Bill Lorenz

William D. Lorenz Jr., P.E., Director

Natural Resources Department

Growth Management Division/Planning and Regulation
