(VI) Figure 1

(ADG BAT Project Changes)

Coverage STEP4
as of 21 July 2008

Modified from the shapefile received from Lisa Bever on 7/11/08, after she had added back some old projects. Updated project and group names. Added Sobczak's areas, resolved all polygons and names/numbers according to meeting on 7/11/06.

Labels shown are Project ID Numbers. Duplicate numbers are not shown.

Polygons are shaded by group. Some old projects could not yet be assigned to groups, and are shaded in gray.
