Subject: FWCC Webinar April 7, 2014

Gulf Consortium Directors, Alternates and Governor Appointees:

Yesterday, the Florida Fish and Wildlife Conservation Commission and Florida Department of Environmental Protection held a webinar on potential National Fish and Wildlife Foundation (NFWF) potential projects for 2014. Here is the link to the presentation:

Of particular note, ***close of business April 10, 2014*** is the end of public comment for the potential projects. Please send any comments to:

Jennifer.Fitzwater@MyFWC.com Use "NFWF Comment" in subject line.

Sincerely,
