INTERLOCAL AGREEMENT

This agreement, made and entered into this 5th day of September, 1995, by and between the City of Naples, a Florida municipal corporation, hereinafter called City, and Collier County, a political subdivision of the State of Florida, hereinafter called County.

WITNESSETH

WHEREAS, the City must set an ad valorem millage rate for Fiscal Year 1995/1996; and

WHEREAS, in past years, the millage rate for some City residents has included an allocation for the maintenance of the Moorings Bay System and Doctors Pass and its Approaches; and

WHEREAS, the estimated cost for maintenance of the Moorings Bay System can now be generated by a lower millage rate than in past years, and it is the desire of the City Council to reduce the millage rate for those affected residents; and

WHEREAS, both the affected residents and City Council desire a commitment from the Board of Commissioners that the cost of maintenance of Doctors Pass will continue to be borne by the Category A funds from the Tourist Development Tax; and

WHEREAS, Doctors' Pass and its approaches are described on the attached Exhibit "A"; and

WHEREAS, Chapter 163, Florida Statutes, provides for intergovernmental agreements between metropolitan or consolidated governments.

NOW, THEREFORE, in recognition of the desire for a continuing commitment, both the City Council and the Board of Commissioners agree as follows:
