**OBJECTIVE:** To obtain professional engineering services to renourish Collier County Beaches in the FY 2015.

**CONSIDERATIONS:** Collier County has been actively managing and renourishing its beaches since the mid 1990’s. Throughout this period of time annual erosion, annual accretion, winter storms, tropical storms, hurricanes, inlet sand bypassing and the occurrence of hot spot erosions periodically occurs with major impacts to our beaches. This scope of work will provide the necessary technical engineering design and permitting for Collier County’s next upcoming annual major beach renourishment project for FY2016.

A Request for Proposal (RFP) was solicited in compliance with the applicable Consultants’ Competitive Negotiations Act (CCNA) requirements. On February 23, 2015 RFP No. 15-6413, “2015 Beach Renourishment,” was posted. One thousand two hundred and ninety (1,290) notices were sent out and fifty five (55) firms downloaded full document packages. Two (2) responsive proposals were received on March 18, 2015. On March 30, 2015 a selection committee short-listed the two (2) firms based on an evaluation of their technical proposals. The selection committee ranked the firms as shown below.

<b>Firm</b>	<b>Final Ranking</b>
CB&I Environmental & Infrastructure	1
Atkins North America, Inc.	2

The top firm, CB&I Environmental & Infrastructure is sufficiently familiar with the scope of this project and is qualified with similar experience in Collier County. Staff recommends approval of the final ranking and requests the authorization to commence contract negotiations, in compliance with the CCNA, with the top ranked firm CB&I Environmental & Infrastructure for this work. If contract negotiations are not successful with CB&I Environmental & Infrastructure then staff is seeking authorization to commence contract negotiations with the second ranked proposer Atkins North American, Inc., with the objective of bringing an acceptable negotiated contract back to the Board for approval.

The award of this contract will be presented to the Coastal Advisory Committee and the Tourist Development Council for a recommendation prior to seeking Board approval.

**FISCAL IMPACT:** There is no fiscal impact associated with this action.

**GROWTH MANAGEMENT IMPACT:** There is no impact to the Growth Management Plan related to this action.

**ADVISORY COMMITTEE RECOMMENDATIONS:** At the April 9, 2015 CAC meeting this item was unanimously recommended for approval by a 6 to 0 vote.

This item will be presented to the TDC for approval on April 27, 2015.

**LEGAL CONSIDERATIONS:** This item has been approved as to form and legality and requires majority vote for approval. – CMG

**RECOMMENDATION:** Recommendation that the Board of County Commissioners approves the ranked list of design professionals pursuant to RFP 15-6413, “2015 Beach Renourishment,” authorizes staff to negotiate a contract with the top ranked firm for subsequent Board approval, and makes a finding that this item promotes tourism.

All proposals should be presented as described in the RFP in PDF or Microsoft Word format with Tabs clearly marked. If applicable, the utilization of recycled paper for proposal submission is strongly encouraged.

- The County will total each of the Consultant's five reference questionnaires and create a ranking from highest number of points to lowest number of points. References marked with an N/A (or similar notation will be given the score of zero (0)). Consultants who do not turn in reference forms will be counted as zero (0).
- The greatest number of points allowed in this criterion will be awarded to the Consultant who has the highest score.

Neither the COUNTY nor VENDOR shall be responsible for any delay or failure in performance resulting from any cause beyond their control, including, but without limitation to war, strikes, civil disturbances
