Vendors must clearly understand that the only official answer or position of the County will be the one stated on the Collier County Purchasing Department Online Bidding System website. For general questions, please call the referenced Procurement Strategist identified in the Public Notice.

#### 10. **Protests**

Any prospective vendor / proposer who desires to protest any aspect(s) or provision(s) of the solicitation (including the form of the solicitation documents or procedures) shall file their protest with the Procurement Director prior to the time of the bid opening strictly in accordance with the County's then current purchasing ordinance and policies.

#### 11. **Rejection and Waiver**

The County reserves the right to reject any and all bids, to waive defects in the form of bid, also to select the bid that best meets the requirements of the County.

Vendors whose bids, past performance or current status do not reflect the capability, integrity or reliability to fully and in good faith perform the requirements denoted may be rejected as non-responsive. Bids that do not meet all necessary requirements of this solicitation or fail to provide all required information, documents or materials may be rejected as non-responsive.

#### 12. **Local Vendor Preference (LVP)**

The County is using the Competitive Sealed Quotation methodology of source selection for this procurement, as authorized by Ordinance Number 2013-69 establishing and adopting the Collier County Purchasing Ordinance.

Local business means the vendor has a current Business Tax Receipt issued by the Collier County Tax Collector for at least one year prior to bid or proposal submission to do business within Collier County, and that identifies the business with a permanent physical business address located within the limits of Collier County from which the vendor's staff operates and performs business in an area zoned for the conduct of such business. A Post Office Box or a facility that receives mail, or a non-permanent structure such as a construction trailer, storage shed, or other non-permanent structure shall not be used for the purpose of establishing said physical address. In addition to the foregoing, a vendor shall not be considered a "local business" unless it contributes to the economic development and well-being of Collier County in a verifiable and measurable way. This may include, but not be limited to, the retention and expansion of employment opportunities, support and increase to the County's tax base, and residency of employees and principals of the business within Collier County. Vendors shall affirm in writing their compliance with the foregoing at the time of submitting their bid or proposal to be eligible for consideration as a "local business" under this section. A vendor who misrepresents the Local Preference status of its firm in a proposal or bid submitted to the County will lose the privilege to claim Local Preference status for a period of up to one year.

Under this solicitation, bidders desiring to receive local preference will be invited and required to affirmatively state and provide documentation as set forth in the solicitation in support of their status as a local business. Any bidder who fails to submit sufficient documentation with their bid offer shall not be granted local preference consideration for the purposes of that specific

contract award. Except where federal or state law, or any other funding source, mandates to the contrary, Collier County and its agencies and instrumentalities, will give preference to local businesses in the following manner.

*Competitive bid (local price match option).* Each formal competitive bid solicitation shall clearly identify how the price order of the bids received will be evaluated and determined. When a qualified and responsive, non-local business submits the lowest price bid, and the bid submitted by one or more qualified and responsive local businesses is within ten percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s), less one (1) dollar, offered by the overall lowest, qualified and responsive bidder. In such instances, staff shall first verify if the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the Purchasing Department shall determine if the lowest local bidder meets the requirements of Fla. Stat. Sec.287.087 (Preferences to businesses with drug-free workplace programs). If the lowest local bidder meets the requirements of Fla. Stat. Sec. 287.087, the Purchasing Department shall invite the lowest local bidder to submit a matching offer, less one (1) dollar, within five (5) business days thereafter. If the lowest local bidder submits an offer that fully matches the lowest bid, less one (1) dollar, from the lowest non-local bidder tendered previously, then award shall be made to the local bidder. If the lowest local bidder declines or is unable to match the lowest non-local bid price(s), then award will be made to the lowest overall qualified and responsive bidder. If the lowest local bidder does not meet the requirement of Fla. Stat. Sec 287.087, and the lowest non-local bidder does, award will be made to the bidder that meets the requirements of the reference state law.

Bidder must complete and submit with their bid response the *Affidavit for Claiming Status as a Local Business* which is included as part of this solicitation.

**Failure on the part of a Bidder to submit this Affidavit with their bid response will preclude said Bidder from being considered for local preference on this solicitation.**

A Bidder who misrepresents the Local Preference status of its firm in a bid submitted to the County will lose the privilege to claim Local Preference status for a period of up to one (1) year.

The County may, as it deems necessary, conduct discussions with responsible bidders determined to be in contention for being selected for award for the purpose of clarification to assure full understanding of, and responsiveness to solicitation requirements.

### 13. Immigration Affidavit Certification

Statutes and executive orders require employers to abide by the immigration laws of the United States and to employ only individuals who are eligible to work in the United States.

The Employment Eligibility Verification System (E-Verify) operated by the Department of Homeland Security (DHS) in partnership with the Social Security Administration (SSA), provides an Internet-based means of verifying employment eligibility of workers in the United States; it is not a substitute for any other employment eligibility verification requirements. The program will be used for Collier County formal Invitations to Bid (ITB) and Request for Proposals (RFP) including professional services and construction services.

Exceptions to the program:

- Commodity based procurement where no services are provided.

- Where the requirement for the affidavit is waived by the Board of County Commissioners

Vendors / Bidders are required to enroll in the E-Verify program, and provide acceptable evidence of their enrollment, at the time of the submission of the vendor's/bidder's proposal. Acceptable evidence consists of a copy of the properly completed E-Verify Company Profile page or a copy of the fully executed E-Verify Memorandum of Understanding for the company. Vendors are also required to provide the Collier County Purchasing Department an executed affidavit certifying they shall comply with the E-Verify Program. The affidavit is attached to the solicitation documents. **If the Bidder/Vendor does not comply with providing both the acceptable E-Verify evidence and the executed affidavit the bidder's / vendor's proposal may be deemed non-responsive.**

Additionally, vendors shall require all subcontracted vendors to use the E-Verify system for all purchases not covered under the "Exceptions to the program" clause above.

For additional information regarding the Employment Eligibility Verification System (E-Verify) program visit the following website: <http://www.dhs.gov/E-Verify>. It shall be the vendor's responsibility to familiarize themselves with all rules and regulations governing this program.

Vendor acknowledges, and without exception or stipulation, any firm(s) receiving an award shall be fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended and with the provisions contained within this affidavit. Failure by the awarded firm(s) to comply with the laws referenced herein or the provisions of this affidavit shall constitute a breach of the award agreement and the County shall have the discretion to unilaterally terminate said agreement immediately.

#### 14. **Lobbying**

All firms are hereby placed on NOTICE that the County Commission does not wish to be lobbied either individually or collectively about a project for which a firm has submitted a bid. Firms and their agents are not to contact members of the County Commission for such purposes as meetings of introduction, luncheons, dinners, etc. During the bidding process, from bid opening to final Board approval, no firm or its agent shall contact any other employee of Collier County with the exception of the Purchasing Department.

#### 15. **Certificate of Authority to Conduct Business in the State of Florida (Florida Statute 607.1501)**

In order to be considered for award, firms must be registered with the Florida Department of State Divisions of Corporations in accordance with the requirements of Florida Statute 607.1501 and provide a certificate of authority ([www.sunbiz.org/search.html](http://www.sunbiz.org/search.html)) prior to execution of a contract. A copy of the document may be submitted with the solicitation response and the document number shall be identified. Firms who do not provide the certificate of authority at the time of response shall be required to provide same within five (5) days upon notification of selection for award. If the firm cannot provide the document within the referenced timeframe, the County reserves the right to award to another firm.

#### 16. **General Information**

When it is deemed by the County that a bid cannot be awarded as originally intended, the County reserves the right to award this bid through an approach which is the best interest of the County.

Alternate bids will not be considered unless authorized by the ITB. In case of identical bids tying as low bid, the County shall ask vendors to submit certification that they have a drug-free workplace in accordance with Section 287.087 Florida Statutes. Should all vendors provide said certification; the County will give local vendor preference.

#### **17. Bid Award Process**

Award of contract will be made by the Board of County Commissioners in public session.

Award shall be made in a manner consistent with the County's Purchasing Policy. Award recommendations will be posted outside the offices of the Purchasing Department as well as on the Collier County Purchasing Department website on Wednesdays and Thursdays prior to the County Commission meetings.

Any actual or prospective respondent who desires to formally protest the recommended contract award must file a notice of intent to protest with the Procurement Director within two (2) calendar days (excluding weekends and County holidays) of the date that the recommended award is posted. Upon filing of said notice, the protesting party will have five (5) days to file a formal protest and will be given instructions as to the form and content requirements of the formal protest. A copy of the "Protest Policy" is available at the office of the Procurement Director.

The COUNTY reserves the right to refuse or return any shipment or equipment at VENDOR'S expense that is not marked with Purchase Order numbers. VENDOR agrees to declare to the carrier the value of any shipment made under this Purchase Order and the full invoice value of such shipment.

d) All invoices must contain the Purchase Order number and any other specific information as identified on the Purchase Order. Discounts of prompt payment will be computed from the date of receipt of goods or from date of receipt of invoices, whichever is later. Payment will be made upon receipt of a proper invoice and in compliance with Chapter 218, Fla. Stats., otherwise known as the "Local Government Prompt Payment Act," and, pursuant to the Board of County Commissioners Purchasing Policy.

5. **Time Is Of the Essence**

Time for delivery of goods or performance of services under this Purchase Order is of the essence. Failure of VENDOR to meet delivery schedules or deliver within a reasonable time, as interpreted by the COUNTY in its sole judgment, shall entitle the COUNTY to seek all remedies available to it at law or in equity. VENDOR agrees to reimburse the COUNTY for any expenses incurred in enforcing its rights.

VENDOR further agrees that undiscovered delivery of nonconforming goods and/or services is not a waiver of the COUNTY'S right to insist upon further compliance with all specifications.

**6. Changes**

The COUNTY may at any time and by written notice make changes to drawings and specifications, shipping instructions, quantities and delivery schedules within the general scope of this Purchase Order. Should any such change increase or decrease the cost of, or the time required for performance of the Purchase Order, an equitable adjustment in the price and/or delivery schedule will be negotiated by the COUNTY and VENDOR. Notwithstanding the foregoing, VENDOR has an affirmative obligation to give notice if the changes will decrease costs. Any claims for adjustment by VENDOR must be made within thirty (30) days from the date the change is ordered or within such additional period of time as may be agreed upon by the parties.

### **2. Conflict of Interest**

Vendor shall provide a list of any businesses and/or organizations to which the firm has any affiliation or obligations within the past five (5) years; whether paid or donated, which could be construed by the County as a conflict of interest. Disclosure of any potential or actual conflict of interest is subject to County staff review and does not in and of itself disqualify a firm from consideration. These disclosures are intended to identify and or preclude conflict of interest situations during contract selection and execution.

### **3. Vendor Performance Evaluation**

Collier County has implemented a Vendor Performance Evaluation System for all contracts awarded in excess of \$25,000. To this end, vendors will be evaluated on their performance upon completion/termination of agreement.

### **4. Deductions for Non-Performance**

The County reserves the right to deduct a portion of any invoice for goods not delivered, or services not performed in accordance with requirements, including required timeframe. The County may also deduct, or chargeback the Vendor the costs necessary to correct the deficiencies directly related to the Vendor's non-performance.

### **5. Offer Extended to Other Governmental Entities**

Collier County encourages and agrees to the successful vendor extending the pricing, terms and conditions of this solicitation or resultant contract to other governmental entities at the discretion of the successful vendor.

### **6. Environmental Health and Safety**

All Vendors and Sub vendors performing service for Collier County are required and shall comply with all Occupational Safety and Health Administration (OSHA), State and County Safety and Occupational Health Standards and any other applicable rules and regulations. Vendors and Sub vendors shall be responsible for the safety of their employees and any unsafe acts or conditions that may cause injury or damage to any persons or property within and around the work site. All firewall penetrations must be protected in order to meet Fire Codes.

Collier County Government has authorized OSHA representatives to enter any Collier County facility, property and/or right-of-way for the purpose of inspection of any Vendor's work operations. This provision is non-negotiable by any department and/or Vendor.

All new electrical installations shall incorporate NFPA 70E Short Circuit Protective Device Coordination and Arc Flash Studies where relevant as determined by the engineer.

All electrical installations shall be labeled with appropriate NFPA 70E arch flash boundary and PPE Protective labels.

## 8. Public Records Compliance

The Vendor/Contractor agrees to comply with the Florida Public Records Law Chapter 119 (including specifically those contractual requirements at F.S. § 119.0701(2) (a)-(d) and (3)), ordinances, codes, rules, regulations and requirements of any governmental agencies.

## 9. Standards of Conduct

The Vendor shall employ people to work on County projects who are neat, clean, well-groomed and courteous. Subject to the American with Disabilities Act, Vendor shall supply competent employees who are physically capable of performing their employment duties. The County may require the Vendor to remove an employee it deems careless, incompetent, insubordinate or otherwise objectionable and whose continued employment on Collier County projects is not in the best interest of the County.

## 10. Licenses

The Vendor is required to possess the correct professional and other licenses, and any other authorizations necessary to perform the required work pursuant to all applicable Federal, State and Local Law, Statute, Ordinances, and rules and regulations of any kind. **Additionally, copies of all the required licenses must be submitted with the bid response indicating that the entity bidding, as well as the team assigned to the County account, is properly licensed to perform the activities or work included in the ITB documents. Failure on the part of any vendor to supply this documentation with their bid response may be grounds for deeming vendor non-responsive.** A Vendor with an office within Collier County is required to have an occupational license.

All State Certified contractors who may need to pull Collier County permits or call in inspections must complete a Collier County Contractor License registration form and submit the required fee. After registering the license/registration will need to be renewed thereafter to remain "active" in Collier County.

Questions regarding professional licenses should be directed to Contractor Licensing, Community Development and Environmental Services at (239) 252-2431, 252-2432 or 252-2909. ## 11. Protection of Property

The Vendor shall ensure that the service is performed in such manner as to not damage any property. In the event damage occurs to any property as a direct result of the Vendor or their Sub vendor in the performance of the required service, the Vendor shall repair/replace, to the County's satisfaction, damaged property at no additional cost to the County. If the damage caused by the Vendor or their Sub vendor has to be repaired/replaced by the County, the cost of such work will be deducted from the monies due the Vendor.

The County's project manager, shall coordinate with the Vendor / Contractor the return of any surplus assets, including materials, supplies, and equipment associated with the scope or work.

## 12. Prohibition of Gifts to County Employees

No organization or individual shall offer or give, either directly or indirectly, any favor, gift, loan, fee, service or other item of value to any County employee, as set forth in Chapter 112, Part III, Florida Statutes, the current Collier County Ethics Ordinance and County Administrative Procedure 5311. Violation of this provision may result in one or more of the following consequences: a. Prohibition by the individual, firm, and/or any employee of the firm from contact with County staff for a specified period of time; b. Prohibition by the individual and/or firm from doing business with the County for a specified period of time, including but not limited to: submitting bids, RFP, and/or quotes; and, c. immediate termination of any contract held by the individual and/or firm for cause.

## 13. Invoice and Payments

The County's project manager reserves the right to establish any one, or a combination of, these industry practices for contracts or purchase orders:

**Lump Sum (Fixed Price):** a firm fixed total price offering for a project; the risks are transferred from the County to the contractor; and, as a business practice there are no hourly or material invoices presented, rather, the contractor must perform to the satisfaction of the County's project manager before payment for the fixed price contract is authorized.

**Time and Materials:** the County agrees to pay the contractor for the amount of labor time spent by the contractor's employees and subcontractors to perform the work (number of hours times hourly rate), and for materials and equipment used in the project (cost of materials plus the contractor's mark up). This methodology is generally used in projects in which it is not possible to accurately estimate the size of the project, or when it is expected that the project requirements would most likely change. As a general business practice, these contracts include back-up documentation of costs; invoices would include number of hours worked and billing rate by position (and not company (or subcontractor) timekeeping or payroll records), material or equipment invoices, and other reimbursable documentation for the project.

**Unit Price:** the County agrees to pay a firm total fixed price (inclusive of all costs, including labor, materials, equipment, overhead, etc.) for a repetitive product or service delivered (i.e. installation price per ton, delivery price per package or carton, etc.). The invoice must identify the unit price and the number of units received (no contractor inventory or cost verification required).

Payments are made in accordance with the Local Government Prompt Payment Act, Chapter 218, Florida Statutes. Vendor's invoices must include:

- Purchase Order Number
- Description and quantities of the goods or services provided per instructions on the County's purchase order or contract.

Invoices shall be sent to:

Board of County Commissioners  
Clerk's Finance Department  
ATTN: Accounts Payable  
3299 Tamiami Trail E Ste 700  
Naples FL 34112

Or emailed to: [bccapclerk@collierclerk.com](mailto:bccapclerk@collierclerk.com).

Collier County, in its sole discretion, will determine the method of payment for goods and/or services as part of this agreement.

Payment methods include:

- Traditional – payment by check, wire transfer or other cash equivalent.
- Standard – payment by purchasing card. Collier County’s Purchasing Card Program is supported by standard bank credit suppliers (i.e. VISA and MasterCard), and as such, is cognizant of the Rules for VISA Merchants and MasterCard Merchant Rules.

The County may not accept any additional surcharges (credit card transaction fees) as a result of using the County’s credit card for transactions relating to this solicitation. The County will entertain bids clearly stating pricing for standard payment methods. An additional separate discounted price for traditional payments may be provided at the initial bid submittal if it is clearly marked as an “Additional Cash Discount.”

Upon execution of the Contract and completion of each month’s work, payment requests may be submitted to the Project Manager on a monthly basis by the Contractor for services rendered for that prior month. Services beyond sixty (60) days from current monthly invoice will not be considered for payment without prior approval from the Project manager. All invoices should be submitted within the fiscal year the work was performed. (County’s fiscal year is October 1 - September 30.) Invoices submitted after the close of the fiscal year will not be accepted (or processed for payment) unless specifically authorized by the Project Manager.

Payments will be made for articles and/or services furnished, delivered, and accepted, upon receipt and approval of invoices submitted on the date of services or within six (6) months after completion of contract. Any untimely submission of invoices beyond the specified deadline period is subject to non-payment under the legal doctrine of “laches” as untimely submitted. Time shall be deemed of the essence with respect to the timely submission of invoices under this agreement.

In instances where the successful contractor may owe debts (including, but not limited to taxes or other fees) to Collier County and the contractor has not satisfied nor made arrangement to satisfy these debts, the County reserves the right to off-set the amount owed to the County by applying the amount owed to the vendor or contractor for services performed or for materials delivered in association with a contract.

Invoices shall not reflect sales tax. After review and approval, the invoice will be transmitted to the Finance Division for payment. Payment will be made upon receipt of proper invoice and in compliance with Chapter 218 Florida Statutes, otherwise known as the “Local Government Prompt Payment Act.” Collier County reserves the right to withhold and/or reduce an appropriate amount of any payment for work not performed or for unsatisfactory performance of Contractual requirements.

#### 14. **Survivability**

**Purchase Orders:** The Consultant/Contractor/Vendor agrees that any Purchase Order that extends beyond the expiration date of the original Solicitation 16-6658 will survive and remain subject to the terms and conditions of that Agreement until the completion or termination of this Purchase Order.

#### 15. **Insurance Requirements**

The Vendor shall at its own expense, carry and maintain insurance coverage from responsible companies duly authorized to do business in the State of Florida as set forth in Insurance and Bonding Requirements Attachment of this solicitation. The Vendor shall procure and maintain

property insurance upon the entire project, if required, to the full insurable value of the scope of work.

The County and the Vendor waive against each other and the County's separate Vendors, Contractors, Design Consultant, Subcontractors agents and employees of each and all of them, all damages covered by property insurance provided herein, except such rights as they may have to the proceeds of such insurance. The Vendor and County shall, where appropriate, require similar waivers of subrogation from the County's separate Vendors, Design Consultants and Subcontractors and shall require each of them to include similar waivers in their contracts.

Collier County shall be responsible for purchasing and maintaining, its own liability insurance.

Certificates issued as a result of the award of this solicitation must identify "For any and all work performed on behalf of Collier County."

The General Liability Policy provided by Vendor to meet the requirements of this solicitation shall name Collier County, Florida, as an additional insured as to the operations of Vendor under this solicitation and shall contain a severability of interests provisions.

Collier County Board of County Commissioners shall be named as the Certificate Holder. The "Certificate Holder" should read as follows:

Collier County  
Board of County Commissioners  
Naples, Florida

The amounts and types of insurance coverage shall conform to the minimum requirements set forth in the Insurance and Bonding Requirements Attachment, with the use of Insurance Services Office (ISO) forms and endorsements or their equivalents. If Vendor has any self-insured retentions or deductibles under any of the below listed minimum required coverage, Vendor must identify on the Certificate of Insurance the nature and amount of such self-insured retentions or deductibles and provide satisfactory evidence of financial responsibility for such obligations. All self-insured retentions or deductibles will be Vendor's sole responsibility.

Coverage(s) shall be maintained without interruption from the date of commencement of the Work until the date of completion and acceptance of the scope of work by the County or as specified in this solicitation, whichever is longer.

The Vendor and/or its insurance carrier shall provide 30 days written notice to the County of policy cancellation or non-renewal on the part of the insurance carrier or the Vendor. The Vendor shall also notify the County, in a like manner, within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverage or limits received by Vendor from its insurer and nothing contained herein shall relieve Vendor of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy to be provided by Vendor hereunder, Vendor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

Should at any time the Vendor not maintain the insurance coverage(s) required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverage(s) and charge the Vendor for such coverage(s) purchased. If Vendor fails to reimburse the County for such costs within thirty (30) days after demand, the County has the right to offset these costs from any amount due Vendor under this Agreement or any other agreement between the County and Vendor. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverage(s) purchased or the insurance company or

companies used. The decision of the County to purchase such insurance coverage(s) shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

If the initial or any subsequently issued Certificate of Insurance expires prior to the completion of the scope of work, the Vendor shall furnish to the County renewal or replacement Certificate(s) of Insurance not later than ten (10) calendar days after the expiration date on the certificate. Failure of the Vendor to provide the County with such renewal certificate(s) shall be considered justification for the County to terminate any and all contracts.

#### **15. Security and Background Checks**

If required, Vendor / Contractor / Proposer shall be responsible for the costs of providing background checks by the Collier County Facilities Management Department, and drug testing for all employees that shall provide services to the County under this Agreement. This may include, but not be limited to, checking federal, state and local law enforcement records, including a state and FBI fingerprint check, credit reports, education, residence and employment verifications and other related records. Contractor shall be required to maintain records on each employee and make them available to the County for at least four (4) years.

#### **16. Maintenance of Traffic Policy**

For all projects that are conducted within a Collier County Right-of-Way, the Vendor shall provide and erect Traffic Control Devices as prescribed in the current edition of the Manual On Uniform Traffic Control Devices (MUTCD), where applicable on local roadways and as prescribed in the Florida Department of Transportation's Design Standards (DS) on state roadways. The Vendor shall leave all affected areas as they were prior to beginning work.

The County reserves the right to require Vendor to assign some or all of its agreements with material suppliers directly to the County. Any such goods and/or materials purchased by the County pursuant to such an assignment of a material supply agreement shall be referred to as "County Furnished Materials" and the responsibilities of both the County and the Vendor relating to said materials shall be governed by the terms and conditions of this solicitation.

Additionally, the County at its sole option may choose to purchase some or all of the goods and/or materials from other suppliers. In either instance the County may require the following information from the Vendor:

- Specifications relating to goods and/or materials required for job including brand and/or model number or type if applicable

The reimbursement of additional equipment expense shall be at cost and will commence once equipment arrives at the service site, unless otherwise agreed in writing by the Project Manager. The County reserves the right to request and obtain documentation of the Vendor's cost for time and material projects, and to withhold payments until documentation is provided.

All County-purchased equipment must be new and of current manufacture in production at the time of bid opening, and carry industry standard warranties. At the time of delivery, at least two (2) complete shop repair manuals and parts lists must be furnished with each type of equipment.
