19. **Goodlette/Pine Ridge Mixed Use Subdistrict**

This Subdistrict consists of 31 acres and is located at the northeast quadrant of two major arterial roadways, Pine Ridge Road and Goodlette-Frank Road. In addition to uses generally allowed in the Urban designation, the intent of the Goodlette/Pine Ridge Mixed Use Subdistrict is to provide shopping, personal services and employment for the surrounding residential areas within a convenient travel distance. The Subdistrict also permits multi-family rental residential dwelling units. The Subdistrict is intended to be compatible with the neighboring Pine Ridge Middle school and nearby residential development and therefore, emphasis will be placed on common building architecture, signage, landscape design and site accessibility for pedestrians and bicyclists, as well as motor vehicles.

Access to the Goodlette/Pine Ridge Mixed Use Subdistrict may feature a signalized traffic access point on Goodlette-Frank Road, which may provide for access to the neighboring...
Pine Ridge Middle School. Other site access locations will be designed consistent with the Collier County access management criteria.

Commercial development intensity within the Subdistrict will be limited to single-story retail commercial uses, while professional or medical related offices, including financial institutions, may occur in three-story buildings. A maximum of 275,000 square feet of gross leasable area for retail commercial and office and financial institution development may occur within this Subdistrict. Retail commercial uses shall be limited to a maximum of 125,000 square feet of gross leasable area on the south +/- 23 acres. No individual retail commercial use may exceed 65,000 square feet of gross leasable area. Residential development within the Subdistrict will be a maximum of 375 multi-family rental dwelling units. The maximum height for residential buildings shall be 4 stories over parking.

Unless otherwise required by the South Florida Water Management District, the 0.87 acre wetland area located on the northeastern portion of the site will be preserved. A total of 1.47 acres of native vegetation shall be provided within this Subdistrict.

C. Urban Commercial District
