Re: Collier County's Adopted Evaluation and Appraisal Report  
Resolution Number 04243

Dear Chairman Fiala:

I am pleased to inform you that the Department of Community Affairs (Department) has completed its preliminary review of the Evaluation and Appraisal Report (EAR) for Collier County that was adopted on July 20, 2004, and determined that the EAR is sufficient, pursuant to Subsection 163.3191(9), Florida Statutes (F.S.). This finding of sufficiency should be taken as the final determination on the Report.

Please note that a sufficiency determination does not constitute a compliance review of the proposed amendments identified in the Report. The amendments referenced in the Report, as well as any other amendments shall be reviewed for consistency with Chapter 163, Part II, F.S., and Rule 9J-5, Florida Administrative Code when submitted as proposed amendments.

The Department's staff is available to provide any needed assistance to Collier County as it prepares the EAR-based amendments. If you have any questions, please do not hesitate to call Bernard O. Piawah, Principal Planner, at 850-922-1810

Sincerely,

  
for Charles Gauthier, AICP  
Chief, Comprehensive Planning
