PUBLIC FACILITIES ELEMENT
Potable Water Sub-Element

******** ******** ******** ******** ******** ********

OBJECTIVE 1:
Locate and develop potable water supply sources to meet the future needs of the County owned and operated systems, said supply sources meeting the minimum Level of Service Standards established by this Plan. The development and utilization of new potable water supply sources and the acquisition of land necessary for such development shall be based upon the information, guidelines and procedures identified within the County’s Ten-Year Water Supply Facilities Work Plan (as updated), and the Lower West Coast Water Supply Plan prepared by the South Florida Water Management District.

******** ******** ******** ******** ******** ********

Policy 1.7:
The County has developed the Ten-Year Water Supply Facilities Work Plan, dated October 2013 November 2018, in accordance with the water supply guidelines of the most current version of the South Florida Water Management District’s Lower West Coast Water Supply Plan. The County’s Ten-Year Water Supply Facilities Work Plan is attached hereto incorporated herein by reference.
