Hearings

The following procedures will be observed at hearings before the Board:

a. In a non-contested case the only evidence heard shall be the statement of the violation and any stipulated agreement, unless additional information is requested from the Board.

b. Where notice of hearing has been provided in accordance with Florida Statutes, Section 162.12, a hearing may proceed in the absence of the Respondent.

Revised 3/23/17
c. The Secretary to the Board shall read the statement of violation against the Respondent/alleged violator.

d. The Respondent/alleged violator shall state his/her full legal name. The Board may ask for the mailing address and physical residence.

e. If the Respondent/alleged violator is not present and is represented by a person other than an attorney, the Respondent may submit a notarized letter to the Chair of the Board granting that individual permission to represent him/her at the hearing. The individual must also testify at the hearing, under oath, to represent the Respondent and capacity of their representation.

f. Presentations of a case may be limited to twenty (20) minutes per party, including testimony of all witnesses. If the Respondent believes that additional time is required, he/she may notify the Board Secretary prior to the scheduled hearing. The Board shall determine if additional time shall be allowed.

g. Any evidence which is sought to be introduced by a party during the party’s presentation is admitted at the discretion of the Board and may be objected to by the opposing side. If necessary the Board may grant a recess or continuance to examine said evidence.

h. All persons testifying before the Board shall do so under oath.

i. Each side may be permitted to make brief opening statements, if requested. The County shall present its case and Respondent/alleged violator shall present his/her case. Both parties shall have an opportunity to cross-examine any person testifying.

j. Any person who can provide relevant evidence to support that a violation has or has not occurred and wishes to testify should notify the Board Secretary prior to commencement of the public hearing. Testimony may be limited to no more than five (5) minutes unless extended by a majority vote of the Board.

k. The Board or its attorney may question any witness(es) or call any witness(es) as necessary.

l. The right of the parties to present rebuttal evidence is discretionary with the Board.

m. Upon completion of all the evidence, each side may be permitted to make brief closing arguments and the Chair shall close the hearing.

n. The Board shall deliberate in open session before the public and determine whether the County has proven by competent substantial evidence that a violation has occurred. If the Board determines that a violation has occurred, it shall then deliberate and determine what corrective action and potential fines shall be appropriate. If the Board does not find that a violation has occurred, the charges shall be dismissed.

o. The Board, upon finding a Respondent in violation, shall issue an oral Order to Comply, setting a date certain for compliance. The Order shall contain Findings of Fact and Revised 3/23/17
Conclusions of Law and state the corrective action granted by the Board. The Board may include in such Order a fine to take effect the day following the specified compliance date in case of non-compliance. In determining the amount of the fine, if any, the Board shall consider the following factors: (1) the gravity of the violation; (2) any actions taken by the violator to correct the violation; (3) any previous violations committed by the violator; and (4) any other relevant factors. Such fine shall not exceed One Thousand Dollars ($1,000.00) for each day the violation continues past the specified compliance date and Five Thousand Dollars ($5,000.00) for repeat violations for each day the violation continues past the specified compliance date. In addition, the Respondent/violator shall be ordered to pay any operational and/or prosecution costs incurred. Said Order shall be reduced to writing and be mailed to the Respondent/violator within ten (10) days.

p. In the event the violation is a violation described in Section 162.06(4), Fla. Stat., the Board shall notify the County Manager, which may make all reasonable repairs required to bring the property into compliance and charge the violator with the reasonable costs of repairs along with the fine and any operational or prosecutorial costs.

q. A party may motion a rehearing of the Board’s Order, based only on the ground that the decision was contrary to the evidence or that the hearing involved an error on a ruling of law, which was fundamental to the decision of the Board. The written Motion for Rehearing shall specify the precise reasons thereof. A Motion for Rehearing shall be in writing and sent to the Secretary to the Board within ten (10) days of the date the Order is received by the party, but in no event more than twenty (20) days from the date of mailing of the Order. The Order of the Board shall be stayed and the time for taking an appeal tolled until the Motion for Rehearing has been disposed of and the decision received by the parties; provided, however, that in no event shall the Order be stayed for a period longer than twenty (20) days from date of the mailing of the rehearing decision.

r. The Board shall make a determination as to whether or not to rehear the matter and its decision shall be made at a public meeting, reduced to writing and mailed to the interested parties within 10 days after the decision is made. If the Board determines that it will grant a rehearing, it may: (1) Schedule a hearing where the parties will be given the opportunity of presenting evidence or argument limited by the Board to the specific reasons for which the rehearing was granted; or (2) Modify or reverse its prior Order, without receiving further evidence, providing that the change is based on a finding that the prior decision of the Board resulted from a ruling on a question of law which the Board has been informed was an erroneous ruling.

s. Any aggrieved party may appeal a final Order of the Board to the Circuit Court within thirty (30) days of the execution of the Order appealed. An appeal shall not be a hearing de novo (a new hearing), but shall be limited to appellate review of the record created. Filing an Appeal shall not stay the Board’s Order.

ARTICLE X

Reduction or Abatement of Fines Prior to Imposition of Fine

Section 1. A Motion for Reduction or Abatement of Fines may be in the form of a written request. The Motion should contain the following information: (a) name, and address of named Respondent; (b) names of all owners of the property which is the subject of the violation; (c) physical address of subject property; (d) nature of violation; (e) description of abatement of violation and date of abatement; (In the event that the violation cannot be abated by Respondent, the Respondent shall include in the Motion for Reduction/Abatement of Fines a detailed description of the efforts undertaken for abatement and an explanation as to why the violation cannot be abated, and provide support documentation to that effect); (f) mitigating factors which Respondent believes warrants a reduction or abatement of fines; (g) and other factors that may be considered by the Board; (h) signature of Respondent; and (i) all supporting documentation. The Respondent should provide the Secretary to the Board a copy of the Motion for Reduction/Abatement of Fines, attaching all supporting documentation. A Motion for Reduction/Abatement of Fines may be made after a violation has been abated and all operational costs and County Abatement costs, if applicable, have been paid or in the event a violation cannot be abated, after a diligent attempt to abate the violation in accordance with the Board’s Order has been made. Under no circumstances may a Motion for Reduction/Abatement of Fines be made after the Board has authorized foreclosure by the County Attorney’s Office.

Section 2. Upon proper filing of a Motion, the Secretary to the Board shall set the Motion on the next available agenda of the Code Enforcement Board. The failure of the respondent to comply with the requirements set forth above may be grounds for dismissal of the Motion by the Code Enforcement Board. Such dismissal shall be without prejudice to the Respondent to file another motion in accordance with these Rules.

Section 3. Upon the proper filing of a Motion for Reduction/Abatement of Fines, the Board may consider the following factors; (a) the gravity of the violation; (b) actions taken by the Respondent to correct the violation; (c) whether there were previous violations committed by the violator; (d) the cost upon the violator to correct the violation; (e) the reasonable time necessary to correct the violation; (f) the value of the real estate compared to the amount of fine/lien; (g) any hardship the fine/lien would cause on the Respondent; (h) the time and cost incurred by Code Enforcement to have the violation corrected and (i) any other equitable factors which would make the requested mitigation appropriate.

Section 4. The Respondent shall have the burden of proof to show why a fine/lien should be reduced or abated. The hearing shall be conducted according to Article IX of these Rules, where applicable.

Section 5. The Board will not re-hear a motion for reduction of fines once a decision has been reached on a previous motion for reduction of fines.

Revised 3/23/17
Section 6. The Board’s decision to grant or deny mitigation of an Order Imposing Fine/Lien shall be reduced to writing and a certified copy of an Order imposing a fine shall be recorded in the public records and thereafter shall constitute a lien against the land on which the violation exists and upon any other real property or personal property owned by the violator. Any aggrieved party may appeal a final order to the Circuit Court within (30) days of the execution of the Order appealed. An appeal shall not be a hearing de novo (new hearing), but shall be limited to appellate review of the record created. Filing an Appeal shall not stay the Board’s Order.

**ARTICLE XI**

**Imposition of Fines**

Section 1. After an Order has been issued by the Board and a date of compliance has been set, the Code Enforcement Investigator shall make a re-inspection to determine compliance or non-compliance with the Order of the Board.

Section 2. The Code Enforcement Investigator shall file an Affidavit of Compliance or Non-Compliance with the Secretary to the Board. A copy of said Affidavit may be sent to the violator by regular U.S. mail and recorded in the Public Records of Collier County, Florida. The Secretary to the Board shall report the status of the said affidavit at the next scheduled Board meeting.

Section 3. Upon Motion for Imposition of Fines being filed by the County, the Board shall set the Motion for hearing with proper notice to the Respondent. Any Motion for Abatement/Reduction of Fines shall be set on the same date for hearing of the County’s Motion when received in a timely manner. This hearing shall not be a trial de novo or a new hearing on the original case. The County may present evidence on the period of non-compliance, the amount of daily fines and the total amount of fine requested to be imposed, as well as any operational costs incurred or to be imposed. Respondent may be given the opportunity to present any written Motion for Abatement/Reduction of Fines and any testimony in support thereof. Respondent may also, at the discretion of the Board, be given the opportunity to present testimony regarding efforts made toward compliance and abatement, which may be considered as mitigation circumstances. In rebuttal, the County may be given the opportunity to present testimony regarding aggravating circumstances.

Section 4. The Board shall determine the amount of fines applicable to be imposed. In determining the amount of the fines, if any, the Board shall consider the following factors: (1) the gravity of the violation; (2) any actions taken by the violator to correct the violation; (3) any previous violations committed by the violator; and (4) any other relevant factors. Such fine shall not exceed One Thousand Dollars ($1,000.00) for each day the violation continues past the specified compliance date and Five Thousand Dollars ($5,000.00) for repeat violations for each day the violation continues past the specified compliance date. In addition, the Respondent/violator may be ordered to pay any operational and/or prosecution costs incurred. In the event that the violation(s) has/have not been abated at the time of the hearing on the Motion for Imposition of Fines, the Board may determine if

Revised 3/23/17
daily fines shall continue to accrue or if a stay is appropriate. The Board’s determination to impose operational costs and/or fines, shall be reduced to writing and a copy of the Order Imposing Fine/Lien shall be mailed to the violator by regular U.S. mail or served upon the violator as specified by the Ordinance and recorded in the Public Records of Collier County, Florida.

Section 5. A certified copy of an Order of Imposition of Fines shall be recorded in the public records and thereafter shall constitute a lien against the land on which the violation exists and upon any other real property or personal property owned by the violator. Upon petition to the Circuit Court, such Order may be enforced in the same manner as a court judgment by the sheriff’s of this State, including levy against personal property, but shall not be deemed to be a court judgment except for enforcement purposes. A fine imposed pursuant to this part shall continue to accrue until the violator comes into compliance or until judgment is rendered in a suit to foreclose on a lien filed pursuant to the ordinance, whichever comes first. After three (3) months from the filing of any such lien, which remains unpaid, the Board may authorize the attorney representing the Board of County Commissioners to foreclose on the lien. No lien created pursuant to this ordinance may be foreclosed on real property, which is homesteaded under Section 4, Article X of the Florida Constitution.

Section 6. No lien imposed pursuant to this article shall continue for a period longer than twenty (20) years after the certified copy of an Order of Imposition of Fine/Lien has been recorded, unless within that time an action to foreclose on the lien is commenced in a court of competent jurisdiction. In an action to foreclose on a lien, the prevailing party is entitled to recover all costs, including a reasonable attorney’s fee that it incurred in the foreclosure.

**ARTICLE XII**

**Miscellaneous**

These Rules and regulations may be revised and adopted consistent with the state statutes and county ordinances during a regular meeting by the affirmative vote of a majority of the full Board, including alternates, provided notice of a proposed change is given to the Board at a preceding regular meeting.

Section 2. No Board member shall knowingly discuss any case with any alleged violator or with each other or with any other interested party prior to the final resolution of the case by the Board.

Section 3. In the event that a violation is occurring on property under multiple ownership and/or in which there is a tenant and there is potential that the other property owner(s)’ or tenant(s)’ interest will be affected by the Board’s decision, the Code Enforcement Investigator may include the property owner and/or tenant as Respondent to the case.

Section 4. Intervention by non-parties may be permitted if the non-party has been found by the Board to be an affected party.

Revised 3/23/17
Section 5. The Board, at its discretion, may ask for periodic reports from County Staff as to the status of cases.
