

FINAL PUBLIC NOTICE

The Federal Emergency Management Agency (FEMA) has received the subgrant application for Collier County's repair of the Well 18 generator due to damages in Hurricane Irma (DR-4283-FL PW 05257). Pursuant to Executive Order 11988 and 44 CFR Part 9.12, final notice is hereby given of FEMA's intent to provide funding for this project under the Public Assistance (PA) Program.

An initial disaster-wide Public Notice was published October 06, 2017 for Hurricane Irma. Comments and other information received were fully evaluated by FEMA along with evaluation of social, economic, environmental, and safety considerations. This notice serves as a project-specific final notice for FEMA's funding action located within the floodplain.

Funding for the proposed project will be conditional upon compliance with all applicable federal, tribal, state and local laws, regulations, floodplain standards, permit requirements and conditions. This action complies with the National Flood Insurance Program (NFIP) requirements.

- Responsible Entity:** FEMA Public Assistance (PA) Program
- Applicant:** Collier County
- Project Title(s):** PA-04-FL-4283-PW-05257 26803 - Tamiami 18 Large Generator
- Location of Proposed Work:** 911 6th. St. SE Naples, FL 34117 (26.21353, -81.59448)
- Floodplain:** Project is located in the Zone A, per Collier County FIRM Panels #12021C0430H dated 05/16/2012.
- Proposed Work and Purpose:** To return site to pre-disaster condition, the applicant will replace a burned-out generator that serves as auxiliary power for well field pumps.
- Project Alternatives:** The alternative that has been considered is the no action alternative. With the no action alternative, continued negative impacts on residents and the community may be experienced. The generator is a backup power source to wells along the county's water distribution system. Alternate locations were not considered as the generator and well pumps are an element of the water distribution system design, which is functionally dependent upon the community's location within the floodplain.
- Comments:** This will serve as the final public notice regarding the above-described action funded by the FEMA PA program. Interested persons may submit comments, questions, or request a map of this specific project by writing to the Federal Emergency Management Agency, Region 4, 3003 Chamblee-Tucker Road, Atlanta, Georgia 30341, or by emailing FEMA-R4EHP@fema.dhs.gov. Comments should be sent in writing with the subject line FL-4283-PW-05257, Collier County at the above address within 15 days of the date of this notice.
