Mr. Schumacher will email a fully executed copy to each member.

B. Budget Report

Mr. Schumacher summarized the “Lely MSTU Fund Budget 152 dated May 16, 2019” for information purposes and provided an overview of the budget noting:

- FY19 Ad Valorem Tax revenue is $271,100.00, an increase of 6.06% over FY18.
- The Millage Rate remains constant at 2.000.
- Total revenue FY19 is $656,874.30 including investment interest, transfers and contributions (minus a 5% reserve of $13,700).
- Current Operating Expense budget is $197,374.30 of which commitments total $82,931.99 and $100,116.68 is expended.
- Uncommitted Operating Expense funds available are $14,325.63. Funds can be reassigned between categories if necessary.
- Balances highlighted in red represent closed Purchase Orders; funds will be rolled over to the FY-2020 budget.
- Improvements General funds of $230,100.00 will be accessed to fund the Lely Gateway Monument Refurbishment project.
- Reserves for Insurance and Catastrophic/Hurricane funds total $150,000.00. Consolidation of the two categories into a single “fixed” dollar amount titled Reserves for Insurance is recommended for the FY-20 budget. The Committee requested clarification regarding M.S.T.U. flexibility to access funds from this category for purposes other than insurance claims.
- Total available balance, less committed expenses, is $398,989.37.

Mr. Schumacher noted the Catastrophic/Hurricane Reserves decreased by 16.2% from FY-18 to FY-19 for these reasons:

- Line 44 Reserves in the MSTU budget report of May indicates total FY-19 reserves. This is the sum of the Line 42 Catastrophic/Hurricane $50,000 and the Line 43 Insurance $100,000.
- Line 42 reserves are variable from year to year depending on expenditure requirements throughout the MSTU budget.
- Line 43 reserves are fixed year to year, with a BCC imposed minimum of $100,000.
- To attain a higher fixed total in Line 44, the MSTU can request that Line 42 be deleted from the budget and the corresponding $50,000 be added into Line 43, resulting in a minimum $150,000 Line 44 Reserves total.
At the direction of the committee, Mr. Schumacher will incorporate the $50,000 ‘Catastrophe/Hurricane’ funds into the Reserves for Insurance budget line item, resulting in $150,000 Reserves for Insurance. Additionally, the Budget Office will be consulted for guidelines on how these funds may be accessed.

C. Lighting Inspection Report
The “backordered” Doral entrance sign light is the single outage for May 2019.

Mr. Schumacher will research alternative sources for purchase of the backordered lamp.

D. Irrigation – Review Quote
A proposal in the amount of $10,322.79, materials only, from FIS Outdoor to convert the Motorola irrigation system to the HydroPoint Data System on the Saint Andrews and Pebble Beach Circle medians was presented.

The Committee requested additional information to consider a retrofit option for the irrigation system.

Mr. Schumacher will:
- Solicit a quote to convert the irrigation system for Saint Andrews, Pebble Beach Circle and Doral Circle to HydroPoint.
- Request a Quote (RFQ) for system installation and electrical panel activation.
- Ascertain the annual service fee affiliated with system use.

E. Plants & Tree Replacements – Review Quotes
Four estimates from Superb Landscape Services, totaling $23,720.00 for plants and trees were presented for Committee consideration.

During Committee discussion the following was noted:
- Descriptions included duplication and/or completion of some items listed.
- Trees and container material should be detailed in individual quotes.
- Site prep should be done first.
- Landscape renovation should be staged to ensure work is completed in the required thirty (30) day time frame.

Mr. Schumacher will:
- Clarify items to be deleted from the quotes such as removal of a fifty (50) foot tall Royal Palm and plantings behind the Monument Sign on Estimates #E1105603 and #E1105606.
- Confirm quantity of Palms with Ganoderma to be removed and number of Sabal Palms to be replaced as noted on Estimate #E1105604.
- Request Superb Landscaping submit modified proposals for Committee consideration at the June 2019 meeting.

F. Traffic Sign – BidSync RFQ

Mr. Schumacher received two vendor responses to the Lely Monument sign refurbishment full project Invitation to Bid (ITB) package. One of the two quotes conformed to McGee & Associates Opinion of Cost.

Mr. Schumacher will:
- Re-post the Invitation to Bid (ITB) on BidSync to conform to the County’s policy when fewer than three bids are submitted.
- Secure a quote from Superb Landscaping to prune and remove plantings as directed by McGee and Associates in the area abutting the monuments.
