PEPPER RANCH PRESERVE QUOTA HUNT
PERMITS ARE OPEN TO COLLIER COUNTY
RESIDENTS ONLY.

Check Station Address: 6315 Pepper Rd, Immokalee, FL 34142

Pepper Ranch Preserve was acquired by Collier County under the Conservation Collier Program. The purpose of Conservation Collier is to acquire, protect, restore and manage environmentally sensitive lands within Collier County for the benefit of present and future generations. Additionally, Conservation Collier’s goal is to allow multiple, controlled recreational and educational uses consistent with this purpose.

The Pepper Ranch Preserve Quality Wildlife Management Hunt Program allows Collier County to use a public recreational hunt opportunity as a way to gain biological data in order to make sound wildlife management decisions.
APPLICATION PROCESS

Quota hunt permit sales will be determined using a preference point random draw system.

Quota hunt permit applications will be available on-line June 26, 2020:

www.colliergov.net/conservationcollier

• Applications can also be dropped off, e-mailed or mailed to:

  Pepper Ranch Preserve Hunt Program
  Conservation Collier
  3300 Santa Barbara Blvd.
  Naples, FL 34116
  E-mail: Molly.DuVall@CollierCountyFL.gov

• Applications will be accepted starting Friday, June 26, 2020.

• The application period will close after 4:30 P.M. on Friday, July 31, 2020

• Random draw selection for the 2020-2021 Hunt Season will take place on Monday, August 3, 2020.

• Permit applications may only be submitted individually. No group applications will be accepted.

• Submission of more than one permit application per individual will disqualify that individual from all random draws.
Notification Letters will be emailed to drawn hunters by Friday, August 7, 2020. Notification Letters will include instructions and details concerning payment, date of selection, etc.

Payment deadlines for hunts will be included with hunt Notification Letters. Hunters must provide payment by the deadline, or they will forfeit their hunt position. Forfeited positions will be offered to the next hunter on the random draw list.

EARLY SUBMISSIONS HAVE NO PREFERENCE OVER LATER SUBMISSIONS DUE TO THE IMPLEMENTATION OF THE PREFERENCE POINT RANDOM DRAW SYSTEM.

QUOTA HUNT PREFERENCE POINTS

To allow an increased opportunity for applicants to receive quota hunt permits for Pepper Ranch hunts, Collier County will be issuing all quota hunt permits based on a preference point system. Applicants included in the random drawing will be able to increase their odds of selection each year they fail to be drawn for a quota hunt permit.

Quota hunt permits for each hunt type shall be selected by random drawing from the applications submitted during each annual application period based on the highest number of accumulated preference points. All applicants not issued a quota hunt permit, shall receive one preference point annually for that specific quota hunt type. Preference points shall accumulate by quota hunt type. Applicants who are issued a quota hunt permit in the random drawing will lose all preference points for that hunt type and will have zero preference points next year for that hunt type. Accumulated preference points for other hunt types will be retained.

Applicants who fail to apply during the annual application period for two consecutive years will forfeit all preference points for that quota hunt type. Applicants that skip a year will neither gain nor lose their preference points.
